👁 resume

Are you interested in collaborating with an adept **business analyst** skilled in deploying **evidence-based, data-driven analysis** for your informed decision-making?
If so, here I am!

Let me persuade you on why our partnership would be exceptional. 😊

With 10+ years of experience spanning large global finance corporations and small nonprofit firms, I possess a distinct perspective 🧐 towards analytics. Guided by the principles of quantification and economical efficiency, I channel my enthusiasm for innovative problem-solving into diverse and varied domains. Armed with an MBA and an MSc in Data Analysis & Visualization, my professional journey ranges from navigating global finance intricacies to accommodating Airbnb guests from all over the world for 5+ years in my own apartment, all while showcasing my versatile data skills ensuring efficient operation in various circumstances. Dedicated to community growth and synergy while being a spirited go-getter, I bring not only data expertise and disruptive approaches with statistical insight, but also vibrant energy to the team — making me your alternative choice for a 'personality hire' as well! 😊 Ready to elevate your team to the next level of success? Check out my media platforms (QR code in the back) and contact me at shot.mba@gmail.com. I look forward to discussing more!

Thanks for reading and have a wonderful rest of your day! ✨

With ❤️, Sho'
